

Semi Synthetic

Kixx CNG

Top Performance CNG Engine Oil for Passenger Car

API SL

DESCRIPTION

Kixx CNG is a high-performance, highly shear-stable, multigrade CNG engine oil for use in passenger car, RV, SUV and CNG taxi engines operating under the most severe conditions. It is formulated from high quality base oil and the latest technology additives, optimized to provide complete engine protection against friction, wear, heat stress and engine deposits.

APPLICATIONS

- CNG engines for passenger cars
- RV and SUV
- Taxi using CNG as a fuel

PERFORMANCE STANDARDS

- API SL

CUSTOMER BENEFITS

- Maximizes engine life through superior wear protection and deposit control under all operating conditions.
- Provides significant fuel savings by reducing friction.
- Protects against start-up wear in low temperature conditions based on excellent low-temperature fluidity.
- Maintains power and durability by minimizing wear in even the most sophisticated valve train mechanisms, including those with variable valve timing
- Helps to preserve emission control and fuel saving performances by protection of converters and oxygen sensors.

KEY PROPERTIES

SAE Grade	5W-30	15W-40
Density, kg/L @15°C	0.858	0.869
Kinematic Viscosity, mm ² /s @ 40°C	63.4	109.2
Kinematic Viscosity, mm ² /s @ 100°C	10.4	15.01
Viscosity Index	153	143
Pour Point °C	-42	-39
Flash Point °C	250	236
Package (Liters)	4	4
